TEARS. I COULD NOT STAY,
DARK MISTS AROUND US GATHERED,

MY HEART FROM SORROW FREE, LOVE,
RESPONDS TO LOVE'S REFRAIN"

HAVING BUT ONE PRICE, WE MUST MAKE IT A LOW ONE.

CHASE PIANOS.

These elegant instruments are noted for their clear, ringing, bell-like tone, great strength, durability, power of standing in tune and splendid reveal.

Elegance of appearance, beauty of finish and solidity of construction are alike objects of care.

We can furnish, twelve styles in Square, Parlor, Grand, Upright and Concert Grand, ranging in price from \$325 to \$1,000, according to style and finish of the case.

Price at least \$100 less than any other first-class Piano. They are surpassed by none, equaled by few.

CHASE RECORD.

The College of Music of Cincinnati, one of the largest Music Schools in the world, has thirteen Chase Pianos in constant use.

These Pianos have been purchased, one by one, as they were needed, and have stood side by side with the best and highest priced Pianos that are made, and now, after several years of the most severe test that any Piano can be put to—*school usage*—they come out so far ahead of all other makes that ALL THE LARGE schools for which Cincinnati is so noted, have adopted the Chase Piano as being superior to all others.

RECORD IN ONE CITY.

THREE CHASE Pianos in Miss Bauer's Cincinnati Conservatory of Music.

EIGHT CHASE Pianos in the Wesleyan College of Music of Cincinnati, with orders for two more.

EIGHT CHASE Pianos in the Cincinnati College of Music, Miss Nelson.

THIRTEEN CHASE Pianos in the College of Music of Cincinnati, Geo. Ward Nichols, President.

FIFTEEN CHASE Pianos in the School of the Sisters of Notre Dame, Cincinnati, who say, "We have Fifteen CHASE Pianos in constant use, and find them unsurpassed in tone, finish, etc."

CHASE PIANOS.

There is no Piano made that can compete with the CHASE, when you take into consideration, tone, touch, power of standing in tune, wearing qualities, beauty of finish, general excellence, and record.

In offering the CHASE, we would state that there are only five or six makes that can compete with the CHASE in all that constitutes a good Piano. We have been offered four of these first class instruments, and refused to take the agencies, because we prefer the CHASE to any other make. We sell four CHASE Pianos to any other make coming to St. Louis.

FREIGHT PAID.

No house selling on a ONE PRICE basis can afford to sell at a high price. Having but one price, we must make it as low as we can afford to sell, or else drive away every close buyer who enters our store.

We give CASH buyers the benefit of these low figures, forced on us by strong city competition, AND IN ADDITION, pay the freight on our Pianos and Organs, to any point not costing over five per cent of the catalogue value—and to other points by agreement. This is a clear gain to distant buyers over our lowest city cash prices.

MUSIC BOOKS

This is one of our Specialties. Our Stock of Music Books being one of the most complete in the country, embracing Ditson's, Novello's, Peters' & Litolff's Editions. Catalogues sent Free.

Among our most successful publications, we would mention *Peters' Modern Music Primer and Copy Book, Peters' Eclectic Piano Instructor, Peters' Burrows' Primer, and other well known Standard Works.*

OVER FIFTY YEARS'

SQUARE DEALING

The Guarantee of Our Firm has protected Our Customers from all imposition for over a half of a Century. Established 1829.

J. L. PETERS,

307 N. Fifth Street, St. Louis, Mo.

SHEET MUSIC.

Mr. Ch. Kinkel, the well-known Musician and Composer, has charge of our Publishing Department, and will assist in making selections of Graded Music for Teachers and others.

As Wholesale Agents for Oliver Ditson & Co. and G. Schirmer, of this country, Novello, of London, Peters & Litolff, of Germany, we can fill orders which no other Western house pretend to fill.

CASH RATES.

Our dealings are largely with parties we seldom or never see, many of whom have dealt with us for over a quarter of a century. We issue catalogues for their guidance, and mark all goods in plain figures, so that each word and figure in our catalogues means just what it represents.

Having but ONE PRICE, we must make it OUR LOWEST—It is therefore useless to write for better figures, as we can not give them UNLESS a club is formed for two or more instruments, in which case we give THE SENDER five per cent discount on the FULL BILL.

CASH RATES.

We have but one price, according to style and finish, less 5 per cent on Clubs of two or more.

Style A, upright, - \$350
Style B, upright, - 400
Style C, upright, - 450
Style D, upright, - 500

TO CASH BUYERS.—We give a *Stool, Cover, Music Folio or Binder, and 12 numbers of any one of our Musical Albums, containing about \$12 worth of Sheet Music.*

TIME SALES.

Other dealers, without exception, have two prices—sometimes a DOZEN. They show long lists, and will not give prices until they find out whether it is a cash or a time sale. They will take off $\frac{1}{4}$, $\frac{1}{2}$, to $\frac{3}{4}$ discount to suit circumstances, so that a buyer must be a judge of prices and quality, to secure anything like A FAIR BARGAIN. They charge a time buyer \$400 for a Piano marked \$600, and sell the same instrument for \$300, and even \$250 to a cash buyer. Interest is cheaper.

We sell at cash rates, and add 6, 8, or 10 per cent interest according to time.

ORGANS.

We are shipping Organs (and Pianos) all over the country, with the right of exchange if not perfectly satisfactory.

Our \$1000 Organ is equal in finish, tone, compass, and all that constitutes A PERFECT ORGAN, to those listed by other dealers at \$250 and \$300. We sell at strictly ONE PRICE, unless two or more instruments are ordered, in which case we give the sender five per cent. Other dealers take off $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$ from *fictional* prices. We warrant for FIVE YEARS, and sell with the right of exchange if not found as REPRESENTED.

OUR GUARANTEE.

We expect every instrument we sell to act as our Agent. To effect this our goods must please. Hence our reason for offering, "Satisfaction or no sale."

In selling we give a guarantee for five years as a protection against any chance flaw in the workmanship or material, and challenge any one to show a single case, during the last fifty years, where our house has sold a cheap or imperfect instrument, and refused to exchange it or make it good. (Established 1829.)
